## HOCKEY

THE FINEST VIDEO GAME  
SINCE VOLLY

Here's a totally different video game, one that simulates the dynamic power play in hockey. One knob controls both the defensive goalie and the offensive forwards, enabling two players to satisfy their natural competitive spirit. For a single player HOCKEY offers the maximum challenge to physical dexterity and game playing skill.

### FEATURES:

- One or two players can play HOCKEY
- Vertical design minimizes floor space
- 25¢ play for more profit per square foot of floor space
- Realistic hockey sound system
- Attractive appearance fits in with any decor
- All solid state logic and TV for long life
- ONE YEAR Logic Warranty
- Interior construction simplifies maintenance
